Dear Mr Stein

On behalf of the men and women of Nellis Air Force Base, thank you for your generous donation of 1,500 toys for the children of our deployed troops. Separation due to military commitments is especially difficult during the holidays that our families traditionally spend together. It helps immensely to know that citizens of this Nation support our efforts in such tangible ways. More than 800 children benefited from your largesse. We appreciate the hard work, dedication and patriotism that this gift of toys represents.

Thank you again, and please share our appreciation with all those who were involved in making this happen.

Sincerely

MICHAEL L. BARTLEY
Colonel, USAF
