Dear CRVA Charity Volunteer Team Members,

Thank you for your generous Christmas Spirit and making your vision of delivering 1700 toys to the families of Miramar Marines at MCAS Miramar a reality. We picked up the toys Friday evening, December 22nd from Camp Pendleton and Miramar families enjoyed the assortment of toys the very next morning.

The Marine Corps Community Services team is aware of the logistic and hours involved to receive, sort, and deliver the thousands of toys to MCAS Miramar and many other military bases. On behalf of the Marines and Sailors we are sincerely grateful. Thank you for helping us in our mission to "Serve Those Who Serve".

Sincerely,
