Subject: 2006 Holiday Gift Program

Thank you for taking the time to participate in the Fleet & Family Support Center Holiday Gift Program. Your thoughtfulness and generosity helped to ensure the troops and their family members enjoyed an extra special holiday.

During a time when some families are not able to share the holidays together, it's comforting to know that there are caring people such as yourself that recognize the sacrifices they make to serve their country.

On behalf of the troops, their families, and the Fleet & Family Support Center, please accept this letter and my sincere thanks for supporting the military family.

Sincerely,

Venice Honick, M.A, M.F.T
